**RESPONSE AND OBJECTION
OF BRENT KUEHNY D/B/A DOLLAR K
CATTLE CO., AND THE BANK OF KREMLIN
TO THE TRUSTEE'S PURCHASE
MONEY CLAIMS REPORT, MOTION TO
TRANSFER FUNDS AND NOTICE OF
RELEASE OF PROCEEDS FROM ACCOUNT**

Brent Kuehny d/b/a Dollar K Cattle Co. ("Kuehny") and The Bank of Kremlin ("Kremlin") respond and object to the Trustee's Purchase Money Claims Report, Motion to Transfer Funds and Notice of Release of Proceeds from Account (the "Report") filed by James M. Knauer, chapter 11 trustee (the "Trustee"). In support hereof, Kuehny and Kremlin state:

Introduction

1. In the Report, the Trustee states that he "has concluded that no person other than [Fifth Third Bank, N.A.] can assert a valid perfected lien in or to the Cattle Sales Proceeds."

2. Kuehny and Kremlin (together with Mark Hohenberger¹) filed a joint claim to certain proceeds from cattle sales by Eastern Livestock Co., Inc. Kuehny and Kremlin asserted that (a) the cattle and consequently the proceeds from the sale of the cattle are subject to a constructive trust in favor of Kuehny under Oklahoma law, and (b) the cattle and the proceeds from the sale of the cattle are subject to Kremlin's valid perfected priority security interest

¹ Hohenberger joined in the Joint Proof of Claim for the purpose of deferring any right he might have to Cattle Sales Proceeds to Kuehny and Kremlin.

created by Kuehny. The funds claims by Kuehny and Kremlin consist of \$158,494.02 that Hohenberger agreed to pay to Eastern for cattle. Those funds are not specifically identified in Exhibit A to the Report (although the report identifies other funds in different amounts as having been paid by Hohenberger) and Kuehny and Kremlin assume that the \$158,494.02 has not yet been paid by Hohenberger to the Trustee.

3. The Trustee in his Report has offered no rationale or argument as to why Kuehny allegedly is not entitled to a constructive trust on the cattle and the proceeds of the cattle, or why Kremlin allegedly does not have a valid perfected priority security interest in the cattle and the proceeds of the sale of the cattle.

Factual Background

4. Kuehny is an individual who is engaged in ranching operations. Prior to November 1, 2010, Kuehny owned numerous head of cattle, subject to three Agricultural Security Agreements in favor of Kremlin, all dated January 21, 2010. Copies of the Agricultural Security Agreements are attached as Exhibits "A," "B" and "C."

5. The Agricultural Security Agreements secured three promissory notes, all dated January 21, 2010, in the amounts of \$400,000.00 (Note 341027), \$475,000.00 (Note 341038) and \$700,000.00 (Note 341060). Copies of the promissory notes are attached as Exhibits "D," "E" and "F."

6. Kremlin perfected the security interests granted pursuant to the three Agricultural Security Agreements by filing a UCC-1 form Financing Statement with the County Clerk of Oklahoma County (Oklahoma's central filing office) on January 25, 2010.

7. On or about November 1, 2010, Kuehny sold 200 steers to Eastern Livestock Co., LLC ("Eastern") for \$158,636.31. On the same day Eastern sold the same 200 steers to

Hohenberger for a net purchase price of \$158,494.02. Thereafter, Hohenberger sold the same 200 steers to J&F Oklahoma Holdings, Inc. ("J&F") for \$167,308.93.

8. Eastern issued its check in the amount of \$158,636.31 to Kuehny in payment of the purchase price of the 200 steers. However, the check was returned unpaid and marked "Refer to maker."

9. Hohenberger received payment on his sale of the cattle to J&F but, after questions arose concerning Eastern's checks not being honored, withheld the proceeds from Eastern.

Constructive Trust

10. At the time Eastern purchased the cattle from Kuehny, Eastern was engaged in a massive fraud and check-kiting scheme. The details of the scheme have been the subject of numerous pleadings filed with this Court by Fifth Third Bank and described in some detail by the Trustee in his March 7, 2011 entry to his internet blog. See Exhibit "G." The purchase of the steers from Kuehny and the issuance of its check to Kuehny was part of Eastern's fraud and check-kiting scheme. Furthermore, Eastern knew at the time it agreed to purchase the steers from Kuehny that it lacked sufficient funds to pay Kuehny and its representation that it would pay Kuehny was fraudulent.

11. Eastern obtained the steers from Kuehny by means that constituted unconscionable conduct, artifice, concealment, and/or questionable means.

12. Upon obtaining the steers from Kuehny, Eastern held the legal title to the steers contrary to equity and good conscience.

13. Eastern acquired the steers from Kuehny in Oklahoma, the steers were delivered in Oklahoma, and Eastern resold the steers in Oklahoma. Oklahoma law governs the characterization of Eastern's interest in the steers at the time it acquired them from Kuehny. *See,*

City of Farrell v. Sharon Steel Corp., 41 F.3d 92, 95 (3rd Cir. 1994) (“we look to state law to determine whether the claimant has shown a trust relationship...”).

14. Under Oklahoma law, Eastern acquired the steers subject to a constructive trust in favor of Kuehny. *See, Cacy v. Cacy*, 1980 OK 138, ¶ 7, 619 P.2d 200 (“A constructive trust is ... imposed against one who by fraud, actual or constructive, by duress or abuse of confidence, by commission of wrong, or by any form of unconscionable conduct, artifice, concealment, or questionable means, or who in any way against equity and good conscience, either has obtained or holds the legal right to property which he ought not, in equity and good conscience, hold and enjoy.”).

15. Upon Eastern’s sale of the steers to Hohenberger, Eastern held title to its claim to the proceeds from the sale subject to a constructive trust in favor of Kuehny. *See, Caryl A. Ysenbaard et al., The Law of Trust and Trustees* § 471, pp. 3-5 (3rd ed. 2009) (“If the property has been sold, the trust attaches to the proceeds held by the defendant or to other property held by the defendant into which the original property or its proceeds can be traced.”).

16. Because the proceeds of the steers are held subject to a constructive trust in favor of Kuehny, the estate holds bare legal title and equitable title belongs to Kuehny. 11 U.S.C. § 541(d).

17. By reason of its security interest, Kremlin is entitled to any amount held by the estate subject to a constructive trust in favor of Kuehny.

Kremlin’s Security Interest

18. The cattle sold by Kuehny were farm products sold by a person engaged in farming operations. Therefore, Eastern was not a buyer in the ordinary course of business. 12A Okla. Stat. § 1-9-320(a).

19. Kremlin's security interest in the steers continued notwithstanding their sale to Eastern. 12A Okla. Stat. § 1-9-315(a)(1).

20. Kremlin's security interest also attached to all proceeds of the sale of the steers. 12A Okla. Stat. § 1-9-315(a)(2).

21. The indebtedness owed by Kuehny to Kremlin currently exceeds the amount of the proceeds.

22. Kremlin is entitled to the proceeds in satisfaction of its security interest.

Conclusion

23. The Trustee has offered no cogent basis for ignoring Kuehny's claim to a constructive trust and Kremlin's security interest.

24. To the extent the Trustee has or subsequently receives the \$158,494.02 that Hohenberger agreed to pay to Eastern for the cattle, for the reasons stated above, such funds belong to Kuehny subject to the security interest of Kremlin.

Wherefore, Kuehny and Kremlin object to the Report and urge the Court to deny the relief sought by the Trustee in the Report and order the \$158,494.02 paid to Kuehny and Kremlin.

Respectfully submitted,

Compliance with Governmental Requirements. Grantor shall comply promptly with all laws, ordinances, rules and regulations of all governmental authorities, now or hereafter in effect, applicable to the ownership, production, disposition, or use of the Collateral, including all laws or regulations relating to the undue erosion of highly-erodible land or relating to the conversion of wetlands for the production of an agricultural product or commodity. Grantor may commit in good faith any such law, ordinance or regulation and without compliance during any proceeding, including appropriate appeal, so long as Lender's interest in the Collateral, in Lender's opinion, is not jeopardized.

Hazardous Substances. Grantor represents and warrants that the Collateral never has been, and never will be so long as this Agreement remains in effect, used in violation of any Environmental Laws or for the generation, manufacture, storage, transportation, treatment, disposal, release or threatened release of any Hazardous Substances. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Collateral for Hazardous Substances. Grantor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any Environmental Laws, and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims and losses resulting from a breach of this provision of this Agreement. This obligation to indemnify and defend shall survive the payment of the indebtedness and the satisfaction of this Agreement.

Maintenance of Certain Insurance. Grantor shall procure and maintain all risks insurance, including without limitation fire, theft, third and liability coverage together with such other insurance as Lender may require with respect to the Collateral, in form, amounts, coverages and basis reasonably acceptable to Lender and issued by a company or companies reasonably acceptable to Lender. In addition, Grantor shall obtain at its expense any federal or state fire insurance required by Lender. Grantor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including stipulations that coverage will not be cancelled or distributed without at least ten (10) days' prior written notice to Lender and not including any disclaimer of the insurer's liability for failure to give such notice. Such insurance policy shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. In addition with all policies covering assets in which Lender holds or is offered a security interest, Grantor will provide Lender with such loss payable or other endorsement as Lender may require. If Grantor at any time fails to obtain or maintain any insurance as required under this Agreement, Lender may (but shall not be obligated to) obtain such insurance as Lender deems appropriate, including if Lender so chooses "whole interest insurance," which will cover only Lender's interest in the Collateral.

Application of Insurance Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Collateral, whether or not such loss or damage is covered by insurance. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. All proceeds of any insurance on the Collateral, including accrued proceeds thereon, shall be held by Lender as part of the Collateral. If Lender consents to repair or replacement of the damaged or destroyed Collateral, Lender shall, upon satisfactory proof of ownership, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or replacement. If Lender does not consent to repair or replacement of the Collateral, Lender shall retain a sufficient amount of the proceeds to pay all of the indebtedness, and shall pay the balance to Grantor. Any proceeds which have not been disbursed within six (6) months after their receipt and which Lender has not disbursed to the repair or replacement of the Collateral shall be used to prepay the indebtedness.

Insurance Reserve. Lender may require Grantor to maintain with Lender reserves for payment of insurance premiums, which reserves shall be created by monthly payments from Grantor of a sum estimated by Lender to be sufficient to produce, at least fifteen (15) days before the premium due date, amounts at least equal to the insurance premiums to be paid. If fifteen (15) days before payment is due, the reserves made are insufficient, Grantor shall upon demand pay any deficiency to Lender. The reserve funds shall be held by Lender as a general deposit and shall constitute a non-interest-bearing account which Lender may satisfy by payment of the insurance premiums required to be paid by Grantor as they become due. Lender does not hold the reserve funds in trust for Grantor, and Lender is not the agent of Grantor for payment of the insurance premiums required to be paid by Grantor. The responsibility for the payment of premiums shall remain Grantor's sole responsibility.

Insurance Reports. Grantor, upon request of Lender, shall furnish to Lender reports on each existing policy of insurance showing such information as Lender may reasonably request including the following: (1) the name of the insurer; (2) the risks insured; (3) the amount of the policy; (4) the property insured; (5) the then current value on the basis of which insurance has been obtained and the manner of determining that value; and (6) the expiration date of the policy. In addition, Grantor shall upon request by Lender (i) provide not more often than annually have an independent appraiser satisfactory to Lender determine, as applicable, the cash value of replacement cost of the Collateral.

Perfection of Security Interest. Grantor authorizes Lender to file a UCC financing statement, or alternatively, a copy of this Agreement to perfect Lender's security interest. At Lender's request, Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and continue Lender's security interest in the Property. Grantor will pay all filing fees, this transfer fees, and other fees and costs involved unless prohibited by law or unless Lender is required by law to pay such fees and costs. Grantor irrevocably appoints Lender to execute any forms and documents necessary to transfer title if there is a default. Lender may file a copy of this Agreement as a financing statement. If Grantor changes Grantor's name or address, or the name or address of any person granting a security interest under this Agreement, Grantor will promptly notify the Lender of such change.

GRANTOR'S RIGHT TO POSSESSION AND TO COLLECT ACCOUNTS. Until default and except as otherwise provided below with respect to accounts, Grantor may have possession of the tangible personal property and beneficial use of all the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Related Documents, provided that Grantor's right to possession and beneficial use shall not apply to any Collateral where possession of the Collateral by Lender is required by law to perfect Lender's security interest in such Collateral. Until otherwise notified by Lender, Grantor may collect any of the Collateral consisting of accounts. At any time and even though no Event of Default exists, Lender may exercise its rights to collect the accounts and to notify account debtors to make payments directly to Lender for application to the indebtedness. If Lender at any time has possession of any Collateral, whether before or after an Event of Default, Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if Lender takes such action for that purpose as Grantor shall request or as Lender in Lender's sole discretion, shall deem appropriate under the circumstances, but failure to honor any request by Grantor shall not be deemed to be a failure to exercise reasonable care. Lender shall not be required to take any steps necessary to preserve any rights in the Collateral against prior parties, nor to protect, preserve or maintain any security interest shown to secure the indebtedness. Grantor agrees to protect and defend against Grantor's farming, agricultural and other business operations for as long as this Agreement remains in effect. Grantor further agrees that Lender may from time to time enter upon Grantor's premises for the purpose of ascertaining whether Grantor is properly and lawfully conducting Grantor's farming, agricultural and other business operations. Grantor shall promptly pay when due all costs and expenses associated with Grantor's farming operations, including without limitation cash and farm products / livestock.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Grantor fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Agreement or any Related Documents, Lender on Grantor's behalf may but shall not be obligated to take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, farm, equity insurance, unemployment and other claims, at any time listed or placed on the Collateral and paying all costs for insuring, maintaining and protecting the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note or at the Nightly rate authorized by law, from the date incurred or paid by Lender to the date of payment by Grantor. All such expenses will become a part of the indebtedness and, as Lender's option, will (a) be payable on demand; (b) be added to the balance of the Note and be amortized using the method set forth in the Note; or (c) be treated as a balloon payment which will be due and payable at any date specified in the Note. The Agreement shall also require payment of these expenses. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon Default. If Lender is required by law to pay Grantor's taxes before or after Lender makes its expenditures, Grantor agrees that notice sent by regular mail at least five (5) days before the expenditures is made or notice delivered two (2) days before the expenditures is made is sufficient, and that notice within sixty (60) days after the expenditures is made is reasonable.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Payment Default. Grantor fails to make any payment when due under the Related Documents.

Other Defaults. Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Grantor.

Default in Favor of Third Parties. Grantor defaults under any loan, assignment of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other lender or person that may materially affect any of Grantor's property or ability to perform Grantor's obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Grantor or an Grantor's agent under this Agreement or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Enforceability of Collateral. To the extent the Collateral consists of accounts, chattel paper, or general intangibles, as defined by the Uniform Commercial Code, the Collateral is enforceable in accordance with its terms, is genuine, and fully compliant with all applicable laws and regulations concerning form, content and manner of preparation and execution, and all persons appearing to be obligated on the Collateral have authority and capacity to contract and are in fact obligated as they appear to be on the Collateral. At the time any account becomes subject to a security interest in favor of Lender, the account shall be a good and valid account representing an undisputed, bona fide indebtedness incurred by the account debtor, for performance not subject to delivery instructions or previously shipped or delivered pursuant to a contract of sale, or for services previously performed by Grantor with or for the account debtor. As long as this Agreement remains in effect, Grantor shall not, without Lender's prior written consent, compromise, settle, adjust, or extend payment under or with regard to any such Accounts. There shall be no release or counterclaim against any of the Collateral, and no agreement shall have been made under which any deduction or discount may be claimed concerning the Collateral except those disclosed to Lender in writing.

Location of the Collateral. Except in the ordinary course of Grantor's business, Grantor agrees to keep the Collateral (or to the extent the Collateral consists of intangible property such as accounts or general intangibles, the records concerning the Collateral) at Grantor's address shown above or at such other location as may be acceptable to Lender. Upon Lender's request, Grantor will deliver to Lender in full satisfaction to Lender a schedule of all preparation and Collateral locations relating to Grantor's operations, including without limitation the following: (1) all real property Grantor owns or is purchasing; (2) all real property Grantor is renting or leasing; (3) all storage facilities Grantor owns, rents, leases, or uses; and (4) all other properties where Collateral is or may be located. Grantor properly shall possess the execution, acknowledgment, and delivery of such subordination, conveyance, waiver, assignment, and other agreements as Lender may require by holders of any encumbrances upon or by owners of such lands where Collateral is or will be located. Grantor warrants to Lender's rights of access for valuation of crops or care of livestock upon such lands as Lender may deem satisfactory.

Removal of the Collateral. Except in the ordinary course of Grantor's business, Grantor shall not remove the Collateral from the existing location without Lender's prior written consent. To the extent the Collateral consists of vehicles, or other used property, Grantor shall not take or permit any action which would require application for certificate of title for the vehicles outside the State of Oklahoma, without Lender's prior written consent. Grantor shall, whenever requested, advise Lender of the exact location of the Collateral.

Transferring Collateral. Except for inventory sold or accounts collected in the ordinary course of Grantor's business, or as otherwise provided for in this Agreement, Grantor shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral. Grantor shall not pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement, without the prior written consent of Lender. This includes security interests even if junior in right to the security interests granted under this Agreement. Unless waived by Lender, all proceeds from any disposition of the Collateral (for whatever reason) shall be paid to Lender and shall not be commingled with any other funds; provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Grantor shall immediately deliver any such proceeds to Lender.

Sale of Collateral. The following provisions relate to any sale, assignment, lease, license, exchange, transfer, or other disposition of crops or livestock included as or a part of the Collateral:

(1) To induce Lender to extend the credit or other financial accommodations secured by this Agreement, Grantor represents and warrants to Lender that Grantor will not, assign, lease, license, exchange, or transfer the Collateral only to those persons whose names and addresses have been set forth on sales schedules delivered to Lender. Each schedule shall be in such form as Lender may require, including identification of each type of Collateral.

(2) Grantor agrees to provide the Lender a written list or schedule of the buyers, commission merchants, and selling agents to or through an individual including the entity name, contact name and address to whom or through whom the crops or livestock may be sold, assigned or transferred. All such sales and notifications shall be in writing and shall be delivered to Lender not less than fourteen (14) days prior to any such sale, assignment or transfer of the crops or livestock. Also, the Grantor agrees to provide any updates or amendments to these schedules of lists to the Lender.

(3) All proceeds of any sale, assignment, lease, license, exchange, transfer, or other disposition shall be paid immediately available to Lender in a form timely payable to Lender and Grantor. No provisions in this Agreement shall be interpreted to authorize any sale or disposition of Collateral unless authorized by the Lender in writing. All chattel paper, contracts, warehouse receipts, documents, and other evidence of ownership or obligations relating to the Collateral, whether issued by a co-op, grain elevator, warehouse, marketing entity, or broker, and all proceeds and other proceeds of the Collateral shall be immediately assigned, assigned and delivered by Grantor to Lender as security for the indebtedness. At any time before or after the maturity of the debt, Lender may collect all proceeds of the Collateral without notice to Grantor. All proceeds of the Collateral, when received by Lender, may at Lender's sole discretion be applied to the indebtedness. Grantor grants Lender a limited power of attorney to sign or execute Grantor's name on all writings described in this section.

(4) Grantor acknowledges that if the crops or livestock are sold, assigned, or transferred to any person not listed on a schedule delivered to Lender as provided above, and if Lender has not received an accounting including the proceeds of such sale, assignment or transfer within ten (10) days of the sale, assignment or transfer, then under federal law, Grantor shall be subject to a fine which is the greater of \$5,000 or 15% of the value of benefit received from the sale, assignment or transfer to an unrelated buyer, consignee or transferee.

Care and Preservation of the Crops. Grantor shall (1) At reasonable and proper times and in accordance with the best practices of good husbandry intend to and care for the crops and the fruits of the land and do, or cause to be done, any and all acts that may at any time be appropriate or necessary to grow, farm, cultivate, irrigate, fertilize, fumigate, prune, harvest, pick, clean, preserve, and protect the crops; (2) Not commit or suffer to be committed any damage to, destruction of, or waste of the crops; (3) Permit Lender and any of its employees and agents to enter upon the premises where the crops are located at any reasonable time and from time to time for the purpose of examining and inspecting the crops and the premises; (4) Harvest and prepare the crops for market and promptly notify Lender when any of the crops are ready for market; (5) Keep the crops separate and always capable of being identified; and (6) Promptly give Lender written notice of any disease to, any destruction of, any depreciation in the value of, or any damage to the crops.

Care and Preservation of Livestock. Grantor shall (1) At reasonable and proper times and in accordance with the best practices of good animal husbandry feed, care for, harvest, and preserve, or cause to be performed, all other acts appropriate or necessary to care for, maintain, preserve, and protect the livestock; (2) Not, show, and perform, or cause to be performed, such other acts as are related to the livestock or to the products of the livestock, including without limitation processing, preserving, preparing, and storing such products; (3) Not commit or suffer to be committed any damage to or destruction of the livestock; (4) Permit Lender and any of its employees and agents to enter upon the premises where the livestock is located at any reasonable time and from time to time for the purpose of examining and inspecting the livestock and (5) Promptly give Lender written notice of any sickness or disease affecting, any damage to, any destruction of, or any depreciation in the value of the livestock or the products of the livestock.

Title. Grantor represents and warrants to Lender that Grantor holds good and marketable title to the Collateral, free and clear of all liens and encumbrances except for the lien of this Agreement. No financing statement covering any of the Collateral is on file in any public office other than those which reflect the security interest created by this Agreement or in which Lender has specifically consented. Grantor shall defend Lender's rights in the Collateral against the claims and demands of all other persons.

Repairs and Maintenance. Grantor agrees to keep and maintain, and to cause others to keep and maintain, the Collateral in good order, repair and condition at all times while this Agreement remains in effect. Grantor further agrees to pay when due all claims for work done on, or services rendered or material furnished in connection with the Collateral so that no lien or encumbrance may ever attach to or be filed against the Collateral.

Inspection of Collateral. Lender and Lender's designated representatives and agents shall have the right at all reasonable times to examine and inspect the Collateral wherever located.

Taxes, Assessments and Liens. Grantor will pay when due all taxes, assessments and liens upon the Collateral, its use or operation, upon this Agreement, upon any promissory note or notes evidencing the indebtedness, or upon any of the other related documents. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and as long as Lender's interest in the Collateral is not jeopardized in Lender's sole opinion. If the Collateral is subjected to a lien which is not discharged within fifteen (15) days, Grantor shall deposit with Lender cash, a sufficient corporate surety bond or other security satisfactory to Lender in an amount adequate to provide for the discharge of the lien plus any interest, costs, attorney's fees or other charges that could accrue as a result of foreclosure at sale of the Collateral. In any contest Grantor shall defend itself and Lender and shall satisfy any final adverse judgment before enforcement against the Collateral. Grantor shall defend Lender as an additional obligee under any surety bond furnished in this contest proceedings. Grantor further agrees to furnish Lender with written notice of such taxes, assessments, and governmental and other charges have been paid in full and in a timely manner. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and as long as Lender's interest in the Collateral is not jeopardized.

Compliance with Governmental Regulations. Grantor shall comply promptly with all laws, ordinances, rules and regulations of all

governmental authorities, now or hereafter in effect, applicable to the ownership, production, disposition, or use of the Collateral, including all laws or regulations relating to the status, control of highly erodible land or relating to the conversion of wetlands for the production of an agricultural product or commodity. Grantor may contract in good faith any such law, ordinance or regulation and without compliance during any proceeding, including appellate appeals, so long as Lender's interest in the Collateral, in Lender's opinion, is not jeopardized.

Hazardous Substances. Grantor represents and warrants that the Collateral never has been, and never will be so long as this Agreement remains in full force and effect, used in violation of any Environmental Laws or for the generation, manufacture, storage, transportation, treatment, disposal, release or threatened release of any Hazardous Substances. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Collateral for Hazardous Substances. Grantor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any Environmental Laws, and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims and losses resulting from a breach of this provision of this Agreement. This obligation to indemnify and defend shall survive the payment of the indebtedness and the satisfaction of this Agreement.

Maintenance of Casualty Insurance. Grantor shall procure and maintain all such insurance, including without limitation fire, theft, crack and liability coverage together with such other insurance as Lender may require with respect to the Collateral, in form, amounts, coverage and terms reasonably acceptable to Lender and issued by a company or companies reasonably acceptable to Lender. In addition, Grantor shall obtain at its expense any federal or state crop insurance required by Lender. Grantor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including stipulations that coverage will not be cancelled or diminished without at least ten (10) days' prior written notice to Lender and not including any disclaimer of the insurer's liability for failure to give such notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be interrupted in any way by any act, omission or default of Grantor or any other person. In accordance with all policies covering crops in which Lender has or is offered a security interest, Grantor will provide Lender with such loss payable or other endorsements as Lender may require. If Grantor at any time fails to obtain or maintain any insurance as required under this Agreement, Lender may but shall not be obligated to obtain such insurance as Lender deems appropriate, including if Lender so chooses "single interest insurance," which will cover only Lender's interest in the Collateral.

Application of Insurance Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Collateral, whether or not such coverage or loss is covered by insurance. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. All proceeds of any insurance on the Collateral, including amounts proceeds thereon, shall be held by Lender as part of the Collateral. If Lender consents to repair or replacement of the damaged or destroyed Collateral, Lender shall, upon satisfactory proof of expenditures, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or replacement. If Lender does not consent to repair or replacement of the Collateral, Lender shall retain a sufficient amount of the proceeds to pay all of the indebtedness, and shall pay the balance to Grantor. Any proceeds which have not been disbursed within six (6) months after their receipt and which Grantor has not permitted to be the repair or replacement of the Collateral shall be used to prepay the indebtedness.

Insurance Reserve. Lender may require Grantor to maintain with Lender reserves for payment of insurance premiums, which reserves shall be created by monthly payments from Grantor of a sum authorized by Lender to be sufficient to produce, at least fifteen (15) days before the premium due date, amounts at least equal to the insurance premiums to be paid. If fifteen (15) days before payment is due, the reserve funds are insufficient, Grantor shall upon demand pay any deficiency to Lender. The reserve funds shall be held by Lender in a general deposit and shall constitute a non-interest-bearing account which Lender may satisfy by payment of the insurance premiums required to be paid by Grantor as they become due. Lender does not hold the reserve funds in trust for Grantor, and Lender is not the agent of Grantor for payment of the insurance premiums required to be paid by Grantor. The responsibility for the payment of premiums shall remain Grantor's sole responsibility.

Insurance Reports. Grantor, upon request of Lender, shall furnish to Lender reports on each existing policy of insurance showing such information as Lender may reasonably request including the following: (1) the name of the insurer; (2) the policy number; (3) the amount of the policy; (4) the property insured; (5) the then current value on the basis of which insurance has been obtained and the market of determining that value; and (6) the expiration date of the policy. In addition, Grantor shall upon request by Lender whenever not more than three months have an independent appraiser satisfactory to Lender determine, as applicable, the cash value or replacement cost of the Collateral.

Financing Statements. Grantor authorizes Lender to file a UCC financing statement, or alternatively, a copy of this Agreement to perfect Lender's security interest. At Lender's request, Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and continue Lender's security interest in the Property. Grantor will pay all filing fees, this transfer fee, and other fees and costs incurred unless prohibited by law or unless Lender is required by law to pay such fees and costs. Grantor irrevocably appoints Lender to execute all entry forms and documents necessary to transfer this if there is a default. Lender may file a copy of this Agreement as a financing statement. If Grantor changes Grantor's name or address, or the name or address of any person granting a security interest under this Agreement, Grantor will promptly notify the Lender of such change.

GRANTOR'S RIGHT TO POSSESSION AND TO COLLECT ACCOUNTS. It is hereby, and fully complied with all applicable laws and regulations governing their content and manner of preparation and execution, and all persons appearing to be obligated on the Collateral have authority and capacity to sign and are in fact obligated as they appear to be on the Collateral. At the time any account becomes subject to a security interest in favor of Lender, the account shall be a good and valid account representing an undisputed, bona fide indebtedness incurred by the account debtor, for merchandise held subject to delivery instructions or previously shipped or delivered pursuant to a contract of sale, or for services previously performed by Grantor with or for the account debtor. So long as this Agreement remains in effect, Grantor shall not, without Lender's prior written consent, compromise, settle, adjust, or extend payment under or with regard to any such indebtedness. There shall be no offsets or counterclaims against any of the Collateral, and no agreements that have been made under which any deductions or discounts may be claimed concerning the Collateral except those disclosed to Lender in writing.

Grantor consents to Lender's right of access for cultivation of crops or care of livestock upon such terms as Lender may deem satisfactory.

Grantor shall not pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement, without the prior written consent of Lender. This includes security interests even if junior in right to the security interest granted under this Agreement. Unless waived by Lender, all proceeds from any disposition of the Collateral for whatever reason shall be held in trust for Lender and shall not be commingled with any other funds; provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Grantor shall immediately deliver any such proceeds to Lender.

Grantor grants Lender a limited power of attorney to sign or endorse Grantor's name on all writings described in this section.

(4) Grantor acknowledges that if the crops or livestock are sold, consigned, or transferred to any person not listed on a schedule delivered to Lender as provided above, and if Lender has not received an accounting (including the proceeds) of such sale, consignment or transfer within ten (10) days of the sale, consignment or transfer, then under federal law, Grantor shall be subject to a fine which is the greater of \$5,000 or 15% of the value of benefits received from the sale, consignment or transfer to an unauthorized buyer, consigned or transferee.

Grantor may consent in good faith to any such law, ordinance or regulation and without compliance during any proceeding, including appropriate appeals, so long as Lender's interest in the Collateral, in Lender's opinion, is not jeopardized.

Hazardous Substances. Grantor represents and warrants that the Collateral never has been, and never will be so long as this Agreement remains in effect, used in violation of any Environmental Laws or for the generation, manufacture, storage, transportation, treatment, disposal, release or threatened release of any Hazardous Substances. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Collateral for Hazardous Substances. Grantor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any Environmental Laws; and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims and losses resulting from a breach of this provision of this Agreement. This obligation to indemnify and defend shall survive the payment of the indebtedness and the satisfaction of this Agreement.

Maintenance of Casualty Insurance. Grantor shall procure and maintain all risks insurance, including without limitation fire, hail, theft and liability coverage together with such other insurance as Lender may require with respect to the Collateral, in form, amounts, coverages and terms reasonably acceptable to Lender and issued by a company or companies respectively acceptable to Lender. In addition, Grantor shall obtain at its expense any federal or state crop insurance required by Lender. Grantor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including endorsements that coverages will not be cancelled or diminished without at least ten (10) days' prior written notice to Lender and not including any disclaimer of the insurer's liability for failure to give such a notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. In connection with all policies covering crops in which Lender holds or is offered a security interest, Grantor will provide Lender with such (a) payable or other endorsements as Lender may require. If Grantor at any time fails to obtain or maintain any insurance as required under this Agreement, Lender may but shall not be obligated to obtain such insurance as Lender deems appropriate, including if Lender so elects "single interest insurance," which will cover only Lender's interest in the Collateral.

Application of Insurance Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Collateral, whether or not such loss or damage is covered by insurance. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. All proceeds of any insurance on the Collateral, including secured proceeds thereon, shall be held by Lender as part of the Collateral. If Lender elects to repair or replacement of the damaged or destroyed Collateral, Lender shall, upon satisfactory proof of expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or replacement. If Lender does not consent to repair or replacement of the Collateral, Lender shall retain a sufficient amount of the proceeds to pay all of the indebtedness, and shall pay the balance to Grantor. Any proceeds which have not been disbursed within six (6) months after their receipt and which Grantor has not consented to the repair or replacement of the Collateral shall be used to prepay the indebtedness.

Insurance Reserve. Lender may require Grantor to maintain with Lender reserve for payment of insurance premiums, which reserves shall be created by monthly payments from Grantor of a sum authorized by Lender to be sufficient to produce, at least fifteen (15) days before the premium due date, amounts at least equal to the insurance premiums to be paid. If fifteen (15) days before payment in due, the reserve funds are insufficient, Grantor shall upon demand pay any deficiency to Lender. The reserve funds shall be held by Lender as a general deposit and shall constitute a non-interest-bearing account which Lender may satisfy by payment of the insurance premiums required to be paid by Grantor as they become due. Lender does not hold the reserve funds in trust for Grantor, and Lender is not the agent of Grantor for payment of the insurance premiums required to be paid by Grantor. The responsibility for the payment of premiums shall remain Grantor's sole responsibility.

Insurance Reports. Grantor, upon request of Lender, shall furnish to Lender reports on each existing policy of insurance showing such information as Lender may reasonably request including the following: (1) the name of the insurer; (2) the risks insured; (3) the amount of the policy; (4) the property insured; (5) the then current value on the basis of which insurance has been obtained and the number of disclaiming that value; and (6) the expiration date of the policy. In addition, Grantor shall upon request by Lender whenever not more often than annually have an independent appraiser satisfactory to Lender determine, as applicable, the cash value or replacement cost of the Collateral.

At Lender's request, Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and maintain Lender's security interest in the Property. Grantor will pay all filing fees, this document fees, and other fees and costs involved unless prohibited by law or unless Lender is required by law to pay such fees and costs. Grantor irrevocably authorizes Lender to execute all entry forms and documents necessary to transfer title if there is a default. Lender may file a copy of this Agreement as a financing statement. If Grantor changes Grantor's name or address, or the name or address of any person granting a security interest under this Agreement, Grantor will promptly notify the Lender of such change.

Upon default and except as otherwise provided below with respect to insurance, Grantor may have possession of the tangible personal property and beneficial use of all the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Related Documents, provided that Grantor's right to possession and beneficial use shall not apply to any Collateral where possession of the Collateral by Lender is required by law to perfect Lender's security interest in such Collateral. Upon otherwise lawful by Lender, Grantor may collect any of the Collateral consisting of accounts. At any time and even though no event of default exists, Lender may exercise its right to collect the accounts and to notify account debtors to make payments directly to Lender for application to the indebtedness. If Lender at any time has possession of any Collateral, whether before or after an event of default, Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral. If Lender takes such action for this purpose as Grantor shall request or as Lender, in Lender's sole discretion, shall deem appropriate under the circumstances, but failure to honor any request by Grantor shall not be deemed to be a failure to exercise reasonable care. Lender shall not be required to take any action necessary to preserve any rights in the Collateral against prior parties, nor to protect, preserve or maintain any security interest given to secure the indebtedness. Grantor agrees to protect and conduct diligently Grantor's farming, agricultural and other business operations for as long as the Agreement remains in effect. Grantor further agrees that Lender may from time to time enter upon Grantor's premises for the purpose of ascertaining whether Grantor is properly and prudently conducting Grantor's farming, agricultural and other business operations. Grantor shall promptly pay when due all costs and expenses associated with Grantor's farming operations, including without limitation crop and farm products / livestock.

All such expenditures levied or paid by Lender for such purposes will then bear interest at the rate charged under the Note or at the highest rate authorized by law, from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the indebtedness and, if Lender's efforts will (a) be payable on demand; (b) be added to the balance of the Note and be amortized among and be payable with any installment payments to complete due during either: (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (3) as recorded as a balloon payment which will be due and payable at the Note's maturity. The Agreement also will require payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon default. If Lender is required by law to give Grantor notice before or after Lender makes an expenditure, Grantor agrees that notice shall be given by regular mail at least five (5) days before the expenditure is made or notice delivered (a) three (3) days before the expenditure is made is sufficient, and that notice within sixty (60) days after the expenditure is made is reasonable.

Borrower: MARY LOREN KUMAR (SSN: 488-82-4444)
 SHEN LYNN KUMAR (SSN: 482-82-3333)
 35235 MAIN ST
 ALBUQUERQUE, NM 87346

Lender: The Bank of Kremlin
 12000 Main Street
 P. O. Box 8
 35235 Main St.
 Albuquerque, NM 87346

Principal Amount: \$400,000.00

Date of Note: January 21, 2010

PROMISE TO PAY. MARY LOREN KUMAR and SHEN LYNN KUMAR ("Borrower") jointly and severally promise to pay to The Bank of Kremlin ("Lender"), or order, in lawful money of the United States of America, the principal amount of Four Hundred Thousand & 00/100 Dollars (\$400,000.00) or as much as may be outstanding, together with interest on the unpaid outstanding principal balance of each advance. Interest shall be calculated from the date of each advance until repayment of each advance.

PAYMENT. Borrower will pay this loan in full immediately upon Lender's demand. If no demand is made, Borrower will pay this loan in accordance with the following payment schedule:

This Note is payable as follows: 4 ANNUAL PAYMENTS OF TOTAL PRINCIPAL AND ALL ACCRUED INTEREST DUE AND PAYABLE BEGINNING 02/21/11 AND A FINAL PAYMENT OF ALL OUTSTANDING PRINCIPAL AND ALL ACCRUED INTEREST DUE AND PAYABLE 01/21/15.

Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest then to principal and then to any late charges. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

VARIABLE INTEREST RATE. The interest rate on this Note is subject to change from time to time based on changes in an independent index which is the Wall Street Journal "Index". The index is not necessarily the lowest rate charged by Lender on its loans. If the index becomes unavailable during the term of this loan, Lender may designate a substitute index after notifying Borrower. Lender will bill Borrower the current index rate upon Borrower's request. The interest rate change will not occur more often than each day. Borrower understands that Lender may make loans based on other rates as well. The fee currently is 0.25% per annum. Interest on the unpaid principal balance of this Note will be calculated as described in the "INTEREST CALCULATION METHOD" paragraph using a rate of 1.000 percentage point over the index, rounded to the nearest 0.125 percent, adjusted if necessary for any minimum and maximum rate limitations described below, resulting in an initial rate of 6.000%. **NOTICE:** Under no circumstances will the interest rate on this Note be less than 0.000% per annum or more than the maximum rate allowed by applicable law.

INTEREST CALCULATION METHOD. Interest on this Note is computed on a 360/360 basis; that is, by applying the rate of the interest rate per year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Note is computed using this method. This calculation method results in a higher effective interest rate than the nominal interest rate stated in this Note.

PREPAYMENT. Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments. Rather, early payments will reduce the principal balance due. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed accounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: The Bank of Kremlin, Operations Branch, P. O. Box 8, 35235 Main St., Albuquerque, NM 87346.

LATE CHARGE. If a payment is 10 days or more late, Borrower will be charged 0.000% of the unpaid portion of the regularly scheduled payment of \$22.00, whichever is greater.

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, the interest rate on this Note shall be increased to 21.000%. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Guarantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's ability to repay this Note or perform Borrower's obligations under this Note or any of the related documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Death or Incapacity. The death of Borrower or the dissolution or termination of Borrower's business as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Creditor or Foreclosure Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, the Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or foreclosure proceeding and if Borrower gives Lender written notice of the creditor or foreclosure proceeding and deposits with Lender money or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Character. Any of the preceding events occur with respect to any guarantor, endorser, surety, or accommodation party of any of the indebtedness or any guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or repudiates the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

Insolvency. Lender in good faith believes itself insolvent.

LENDER'S RIGHTS. Upon default, Lender may declare the entire unpaid principal balance under this Note and all accrued unpaid interest immediately due, and then Borrower will pay that amount.

ATTORNEY'S FEES; EXPENSES. Lender may hire or pay someone else to help collect this Note if Borrower does not pay. Borrower will pay Lender that amount. This includes, without limitation, any fee or cost incurred by Lender's attorney, fees and Lender's legal department, whether or not there is a lawsuit, including without limitation all reasonable fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and expense. If not prohibited by applicable law, Borrower also will pay any court costs, in addition to all other sums provided by law.

JURY WAIVER. Lender and Borrower hereby agree to try any jury trial in any action, proceeding, or counterclaim brought by either Lender or Borrower against the other. Waived Here.

GOVERNING LAW. This Note will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Oklahoma without regard to its conflict of law provisions. This Note has been accepted by Lender in the State of Oklahoma.

CHOICE OF VENUE. If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of Garfield County, State of Oklahoma.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether

However, this does not include any IRA or Keogh accounts, or any trust accounts for which estate would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or offset all sums owing on the indebtedness against any and all such accounts, and, at Lender's option, to administratively freeze all such accounts to allow Lender to protect Lender's charge and offset rights provided in this paragraph.

COLLATERAL. Borrower acknowledges this Note is secured by the following collateral described in the security instruments listed herein:

Advances under this Note, as well as directions for payment from Borrower's accounts, may be requested orally or in writing by Borrower or by an authorized person. Lender may, but need not, require that all oral requests be confirmed in writing. Borrower agrees to be liable for all sums either: (A) advanced in accordance with the instructions of an authorized person or (B) credited to any of Borrower's accounts with Lender. The unpaid principal balance owing on this Note at any time may be evidenced by endorsements on this Note or by Lender's internal records, including daily computer print-outs.

LOAN PURPOSE. The purpose of the loan is FARM OPERATING EXPENSES - FSA.

If any part of this Note cannot be enforced, the rest will not affect the rest of the Note. Lender may delay or forego enforcing any of its rights or remedies under this Note without losing them. Each Borrower understands and agrees that, with or without notice to Borrower, Lender may with respect to any other Borrower: (a) make one or more additional secured or unsecured loans or otherwise extend additional credit; (b) alter, compensate, renew, extend, accelerate, or otherwise change one or more terms of the time for payment or other terms of any indebtedness, including increases and decreases of the rate of interest on the indebtedness; (c) change, enforce, waive, subordinate, sell or decide not to perfect, and release any security, with or without the substitution of new collateral; (d) apply such security and direct the order or manner of sale thereof, including without limitation, any non-judicial sale permitted by the terms of the controlling security agreement, as Lender in its discretion may determine; (e) release, substitute, waive not to sue, or deal with any one or more of Borrower's sureties, endorses, or other guarantors on any other indebtedness owing by such other Borrower. PREPAYMENT. Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in Borrower's making fewer payments. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without being any of Lender's duties under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. Eastern's First Meeting of Creditors

03/30/2011

[10 Comments](#)

In every bankruptcy case, after the listing of the debtor's liabilities and assets is completed and filed with the Court, the law requires that creditors be sent notice of a meeting at which the debtor answers questions about their financial affairs and conduct. This meeting is called the *First Meeting of Creditors*. If you are a creditor of Eastern, you should have received such a notice. In Eastern's case, that meeting is scheduled to occur in New Albany, Indiana on April 5th at 10am EST.

In the case of Tom Gibson's voluntary bankruptcy, the First Meeting of Creditors has already occurred and we have posted a transcript of Gibson's testimony on the website which can be found [here](#).

In a corporate bankruptcy, a representative of the debtor testifies at the First Meeting of Creditors. Normally, that is the president of the company, which would be Tom Gibson. Unfortunately since Eastern's bankruptcy was involuntary, Mr. Gibson will not be representing the Debtor, so that role falls to me as the Bankruptcy Trustee.

I am writing this in case some of you had planned to attend in the hope of questioning Mr. Gibson about Eastern matters, since that will not occur on April 5th.

That day will come soon, just not next week.

Bond Claims. . .

03/21/2011

[1 Comment](#)

To those of you who made USDA Bond claims, the 60 day filing period expired at the beginning of March. We have made arrangements with the bonding company to turn over the bond funds and we are preparing a proceeding to address the claims process. Obviously the \$875,000 bond that Eastern was required to post is far less than the total claims, so when we have completed the claims review process, those will claims that are allowed will receive a prorated payment based on the percentage that the amount of their claim bears to the total of all claims.

To speed up the process, we will likely handle this process outside of Eastern's bankruptcy proceedings, since the USDA bond money is not part of Eastern's bankruptcy estate.

When Did the Fraud Start? Part II

03/18/2011

[2 Comments](#)

On March 14th, I commented that our analysis of sales activities of Eastern seemed to indicate that the phony sales which were used to prop up the cash flow started occurring in at least 2009. As we have continued to investigate, it now seems apparent this was going on in 2008 as well, just not on the same scale as in later years.

When Did the Fraud Start?

03/14/2011

[0 Comments](#)

We continue to review Eastern's books to find out the depth and breadth of the fraud as well as who was involved. One of our initial questions has been answered. That is, did it start last year, or was it going on in 2009 too?

Our financial advisors prepared information reviewing sales by month in 2009 and then separated the sales by purchaser. We instantly saw a pattern in which sales to Gibson affiliates in 2009 were enormous, but then reduced dramatically at the end of Eastern's fiscal year. Eastern had a requirement in their bank financing that restricted credit for affiliated company receivables at year end, hence the need to get them paid (which was not possible since much of them were phony) or to create other receivables which would allow the affiliate receivables to be reduced. This appears to have been accomplished by booking year end sales to other Gibson affiliates whose connection was not known to Eastern's senior bank, so those amounts were counted and the level of account receivables was then maintained.

Check "Kite"

03/07/2011

[0 Comments](#)

One of the things that is done early in a bankruptcy case is to analyze transactions which occurred within 90 days preceding bankruptcy. In many instances payments that were made by an insolvent company can be recovered under bankruptcy laws which deem those payments to be preferential or "preferences."

As many of you have read, Eastern's finances were being pumped up by what is commonly called a check "kite." A check kite occurs when a check drawn on another bank is deposited into a checking account and the deposited check is no good. The banking system will provisionally clear this check for a couple of days which gives the maker of the check time to deposit another check into its own account equal in value to the check they just issued so the bad check presented for deposit appears to be covered by the new deposit.

A kite can occur between two banks where the holders of checking accounts issue NSF checks to each other, timing the deposits so that each check is covered by a check from another bank. Typically these deposits are required to be larger and larger hence the use of the term kite is applied to describe how the amounts involved get higher and higher.

In the case of Eastern, our preliminary analysis has identified a multi-party check kiting scheme. During the 90 days preceding bankruptcy, Eastern issued \$8.8 million dollars of checks to Ed Edens, IV, \$237 million worth of checks to GP Cattle, \$7.7 million worth of checks to Gary Seals, \$11.6 million worth of checks to J & L Cattle and \$365 million worth of checks to Thomas Gibson. Obviously, each of these checks were drawn on Eastern's account and had to be covered by a legitimate check or a fictitious deposit before it was honored by Eastern's bank.

We are in the process of analyzing deposits to Eastern's accounts and once that process is completed we will have a better idea of which checks and deposits were legitimate and which checks and deposits were fiction. We have initially concluded that most of the

above described transactions were phony.

Apologies to all

02/18/2011

[0 Comments](#)

We made a strategic error in sending out several hundred letters to persons listed on Eastern's books as owing the company money. Sending the letter was not the mistake, it was using my office number and address for responding since I do not have the records at my location. Since Eastern's books are a mess and many of the records are missing, letters were sent to people who don't owe the company money and have proof of that. Unfortunately, most everyone chose to call me instead of responding by mail and I have been overwhelmed with daily phone calls. We made a second large mailing to holders of forward contracts about the same time and also used my office phone and address for a response. Once again, almost everyone choose to call. The problem that resulted was my inability to respond to everyone which I am sure was frustrating to those who left messages, so to all of you who are still waiting for a call I apologize. The calls were transferred to the personnel we have in Eastern's office, even that number of folks cannot return the calls as timely as we would like because each one necessitates a hunt through masses of paper to confirm the facts relayed by the caller. Needless to say the upshot of all of this was my inability to update the blog recently.

Largest Creditor – Fifth Third

02/18/2011

[0 Comments](#)

A number of creditors have asked me what is being done to investigate the claim of the largest creditor, Fifth Third Bank. We have hired independent counsel whose attention is devoted solely to this purpose. The Indianapolis Law firm of Hoover Hull is charged with this responsibility. We have subpoenaed about ten thousand records from Fifth Third, mostly checks and deposits as well as conducting a thorough review of the bank's loan documents. Additionally, we are talking with anyone who has knowledge that might effect allowance of the bank's claim. We have to determine by March 11 whether there are claims against Fifth Third and our review will be completed by that date. If you have information that you think may effect our review of the Bank's claim, please contact me or John Hoover at 317-822-4400.

FBI's Seizure of Funds

02/18/2011

[0 Comments](#)

I reported bank in January that the FBI had seized approximately \$4.7 million from the bank account of Tom Gibson and that we believed this money came from Eastern. We meet with the FBI to discuss the government's plans for the money. As my earlier entry noted, under federal forfeiture laws, the government is not required to return any of the funds if they can prove that it was the proceeds of the commission of the crime. We were assured by the FBI that the government has no intention of keeping the money and plans to see that it is distributed to victims of Eastern's financial activities, they are just not certain at this point how that will occur. We have suggested that the Bankruptcy case presents the best vehicle to distribute the funds, since all of the creditors will file claims and the money can be properly allocated. We have scheduled a follow-up meeting with the FBI in March.

Many of you have contacted me and provided information about individuals against whom Eastern could bring claims. We are working diligently on a number of law suits against persons who received improper transfers of funds or property from Eastern and will begin filing these over the next several weeks.
